November 18, 2016

MILWAUKEE, Nov. 18, 2016 (GLOBE NEWSWIRE) -- Artisan Partners Asset Management Inc. (NYSE:APAM) announced today that it will reopen the Artisan U.S. Mid-Cap Value Strategy, including Artisan Mid Cap Value Fund, effective November 21, 2016. The strategy is managed by the Artisan Partners U.S. Value Team, led by portfolio managers Jim Kieffer, George Sertl and Dan Kane. The strategy has been closed to most new investors since mid-2009, reflecting the team and firm's focus on effective capacity management. It will reopen to new separate account investors as well as to investors in pooled vehicles. Assets in the strategy were approximately \$6.3 billion as of October 31, 2016.

Artisan Partners also announced today that it will cease managing assets in the Artisan Global Small-Cap Growth Strategy, which is managed by the Artisan Partners Global Equity Team. In connection with that decision, the Board of Directors of Artisan Partners Funds, Inc. has approved a plan to liquidate Artisan Global Small Cap Fund. The liquidation is expected to occur on or about January 20, 2017. As of October 31, 2016, Artisan Partners managed \$68 million in the Global Small-Cap Growth Strategy; all assets managed are in Artisan Global Small Cap Fund. The decision to cease managing assets in the strategy was based on a comprehensive review of a number of factors and the determination that the strategy is not commercially viable.

The Global Equity Team will continue to manage the Artisan Non-U.S. Growth, Non-U.S. Small-Cap Growth and Global Equity strategies, which had \$25.8 billion, \$1.0 billion and \$1.2 billion of assets under management, respectively, at October 31, 2016.
